March 1, 2011

To our Coastal Kids Dental family of patients:

As many of you have heard or seen on the news, early this morning our Daniel Island office was lost in a fire. We and the local community are very fortunate that no one was hurt including the brave firefighters that battled the fire through the night and early morning hours.

Currently we are not sure of the timeline that it will take to reopen our Daniel Island office, but we are 100% sure that we will reopen on Daniel Island to serve the children and families of Daniel Island and surrounding areas.

In the short term we are working to contact and reschedule our Daniel Island patients in our main office in Hanahan. Our main office in Hanahan is 9 miles from our Daniel Island office, off of N. Rhett Ave. If you have an appointment scheduled we will be contacting you to reschedule your appointment to a time convenient to you in our Hanahan office.

We appreciate all of your concerns, kind wishes, support and understanding.

Thank you,

Coastal Kids Dental
