CHARLESTON, SC – August 29, 2011 – Coastal Kids Dental & Braces enjoyed participating in Berkeley County School District's Summer Feeding Program and the "Stuff the Bus Berkeley" community campaign. Both programs help support the children and families of Berkeley County.

Coastal Kids Dental & Braces supported the Berkeley County School District's Child Nutrition Department participation in the USDA's Seamless Summer Feeding Program by donating 1500 toothbrushes and toothpaste. As part of the program the district provided a free daily lunch for all Berkeley County children, under the age of 18, who visit a feeding site. The program ran from June 13 through Aug. 5.

On Saturday, August 13th, Coastal Kids team members and Mr. Tooth volunteered at the Berkeley Country School District's "stuff the bus" community campaign which collected more than 12,800 items needed for students for the upcoming 2011-2012 school year. The events helped provide everything from crayons in Kindergarten to composition books for seniors.

"We were very happy to help support the Berkeley Country School District and the children & families of Berkeley Country through these two important programs," says Dr. Isabel Driggers, Founder & Owner of Coastal Kids Dental & Braces. "Programs and events like these support the same children and families we work with on a daily basis. We are very proud to give back to the community we work and live in."
